

MVAC Opportunities for people and communities

Who We Are:

Minnesota Valley Action Council is a community action agency that serves the nine counties in South-Central Minnesota. Since 1965, MVAC has delivered more than \$500 million dollars to create opportunities for people and communities. The majority of those funds helped stimulate our local economy as they were spent with local, small businesses on behalf of low-income families. While MVAC provides assistance to low to moderate income families with its core programs, we also see that there are barriers that keep people from getting out of poverty. We identify those barriers and create opportunities for them to become self-sufficient.

What is Bad Prom:

2017 Old Town Event of the YEAR!

It is a 21 and older untimed 5k evening fun run with a prom after party to bring awareness to the many programs that MVAC offers. The 5k starts and ends at the Midtown Tavern. Each kilometer of the event will have sponsorship recognition opportunities. We will also have a Zero K entrance into the “Bad Prom” so even those non-runners can have fun and enjoy the evening. Food and beverages will be available. And what prom would be complete without music?

Doug Gerdes, DJ will be returning to bring you the best music to relive your prom!

Minnesota Valley Action Council's 2nd Annual **Bad Prom 5k** Fun Run/Walk

You don't want to miss this event!
Last year over 150 attendees and it's
expected to grow even more this year!
