Lip Sync Battle proceeds will benefit the "Community Services Unmet Needs " micro-loan program. Micro-loans will be made available to those that are experiencing a financial hardship to continue with school or getting to work. The need might be for school supplies or possibly transportation. To ensure success, the payments will be affordable and within the participant's budget. By having these low repayment options, participants will have affordable payments and build good credit while making sure the program becomes self-sustaining.

When you support Minnesota Valley Action Council, you are supporting our communities. MVAC is proud to be a non-profit where 96.7% of the budget goes directly to the programs that we provide.
